Primary Examiner, Art Unit 3652

The following is an examiner's statement of reasons for allowance: for the reasons stated in the prior office action by applicant for these claims and also because the closest known prior art, McIntyre, does not teach all of the claimed limitations and it would not be obvious to one of ordinary skill in the art at the time the invention was made to have modified McIntyre to have all the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Scott Lowe whose telephone number is (571)272-6929. The examiner can normally be reached on 6:30am-4:30pm M-Th.
